EXPERIENCE **POPTIP (NEW YORK) | Product Designer**

2012 - 2014

Poptip was a modern market research company that aggregated and displayed crowd reaction data in real-time.

Worked closely with engineers and business team to build the Poptip suite and collaborative projects with companies such as Time and Twitter. Was also in charge of various design projects ranging from branding to infographics as the sole designer in the team

PALANTIR (NEW YORK) | Product Designer

2014 - 2015

As part of the financial sector, worked on designing a security platform for big banks. The platform was designed to aggregate and display high-risk activities of employees and send out an alerts when dangerous activity pattern is detected.

FREELANCE ILLUSTRATOR

2015 - PRESENT

Draw illustrations for clients, mostly online publications. Work has been shown on Refinery29, Cosmopolitan, GQ Germany.
